

## **HVAC Service Technicians & Installation Mechanics**

39 Everett Dr., Princeton Junction, NJ 08550

*I'm the best and I want to join a team that appreciates me, where I can create my own opportunities.*

### ***Who We Are***

We keep on growing because we only hire the best, and our customers love us for it. We've been at this a long time here in Princeton, NJ. You've probably seen our trucks and our ads. What you don't know is what it's like to be a part of a team like this. How much you feel appreciated when you don't cut corners. How much we inspire ongoing training and education. How it feels to have customers rave about you and demand that you're the only technician that works at their business. How much you can earn when you truly are the best. People often come to us looking for a job. They stay with us because they find a fulfilling career, room to grow, and opportunities to excel.

### ***Why We Need You!***

Because we offer state of the art customer experiences, we need top of the line HVAC service technicians & installation mechanics who genuinely care about the customer and are not looking for "just a job", but a career.

### ***The Big Task***

You will diagnose, install or repair heating and cooling systems and lead customers to informed and confident buying decisions by providing an extraordinary customer experience.

### ***Key Sub Tasks***

- Have at least three years of experience.
- Maintain communication with dispatch, your manager, parts and installation teams.
- Keep your company truck clean, inside and out.
- Keep your truck inventory up to date.
- Properly complete work orders.
- Join the on-call rotation.
- Maintain a clean and professional appearance.
- Have and maintain a clean driving record.
- Participate in training allowing you to grow and develop as a professional.
- Have or be willing to get the proper certifications. We can help you with this.

### ***Desired Skills and Experience***

If you can achieve the above and you find it fun and challenging - you have just the right amount of skill and experience.

### *What We Offer*

- Company supplied, take it home at night, truck.
- Medical, Dental & Vision Insurance
- Subsidized Tool Accounts
- Paid Vacation/Sick Days
- 401k Plan
- A family. This is last on the list because it's most important. We care about our team, and expect you to bring that same caring when you join. We do a lot more than just work together. You'll come to love our company outings, and you'll build life-long friendships at Princeton Air.

### *Princeton Air's Core Values*

- Thirst For Knowledge
- Whatever It Takes
- Embraces Change
- Relentlessly Positive
- Eager To Serve
- No Jerks

If you want to be part of something bigger than just a job – make this career move and find exactly what you're looking for. You will work in a place where you will be appreciated by our team and our customers, and where your work has a direct effect on the success of the company. If this sounds like you, spend a little time learning about Princeton Air by visiting [www.PrincetonAir.com](http://www.PrincetonAir.com). When you're ready, please follow the directions at our Princeton Air career page to apply for this position.
